A Rescission of Previous Nonpublication Request was filed by facsimile earlier today. Copy attached. The reason that the form from only one of the co-inventors, Benny Steffens, was filed is that the other co-inventor, Kayla Steffens, assigned her rights in the invention to Benny Steffens. A copy of this assignment is also attached. Thus Benny Steffens signed this form in his capacity as assignee of all rights in the application. This meets the signature requirements of 37 CFR 1.33(b).
